MEDITATION THOUGHTS

Theme: He will be called the Son of God

Scripture: Luke 1: 26-38

What a blessing!

Each of us has the opportunity to be called the Son of God. By the life we live and the contributions we make to the lives of others, we have the opportunity to be called a son of God. Being a child of God is a great honor and one not to be taken lightly. When we think of what Christ went through, we cannot imagine matching that.

And yet, we are told that we have the opportunity to become the sons and daughters of God. And we know that we can never be the only son of God, as Christ was. We would not be able to go through what He went through. We can only imagine what must have gone through His mind as He was carrying the cross to Calvary. We can only imagine what must have gone through His mind when He was being asked to go to the house where Lazarus had died. We don't know much about the first 12 years of Christ's life. We only know that He ended up in the temple teaching the scribes and phrases. Being the Son of God is a great responsibility and one not to be taken lightly.

Go therefore and share the gospel., knowing the price He paid.
